

Moreland Reconciliation Network

Wed 22 March 2017

7pm – 8:30pm

**Robinson Reserve Neighbourhood House
104A Reynard St, Coburg**

WHAT IS THE MORELAND RECONCILIATION NETWORK?

A group of local residents living or working in Moreland who are interested in connecting with others to progress meaningful reconciliation in Moreland.

Join like-minded local residents who:

- Are interested or involved in reconciliation
- Want to learn ways of building respect and understanding between Aboriginal and Torres Strait Islander people and non-Aboriginal people in Moreland, or share information and resources to this end
- Want to inspire action in themselves and/or each other to take respectful action

Who is organising this meeting?

We are a small group of Moreland residents who believe Aboriginal cultures and history are important to our identity as a diverse community and believe in social justice, equity and self-determination. This is an initial meeting to explore interest in developing and shaping a network of local residents and groups of people interested in progressing reconciliation in Moreland.
