“

The youth are the machine for the development of the country. As an SDG Ambassador, I love focussing on youth voices. I want to promote volunteer work to all youth, because good things happen when you invest your knowledge.

SONYA DA COSTA

A 26-year old volunteer who recently graduated from university. While studying, she worked voluntarily to provide leadership training and other empowerment activities for her fellow youth. She was awarded Youth Ambassador for SDGs by UNDP in 2015. Sonya organizes and leads leadership training to empower youth to be better leaders and citizens in the future.
