You need to log at least ten titles and if you log more, you'll have even more chances to win. If you open up this booklet, you'll find more space to record your reading, as well as a space for a review and a drawing. How many books will you read this summer? It doesn't matter how long they are. Listening to audio books and reading picture books and graphic novels count too.

A fun way to track your reading over summer and offer you activities and challenges, plus the opportunity to win a prize! There are 48 library services in Victoria participating and we're hoping 10000 people will join - tell your friends!
