

# Glenroy Action Plan Framework

## Glenroy 2025: A modern village with heart

Glenroy will develop as a vibrant, well-connected and attractive centre that welcomes people of all ages, cultures and incomes. It will be a prosperous and sustainable centre that offers a range of opportunities for the community to live, learn, work, shop, meet and relax.

### COMMUNITY

#### A healthy and connected community

The people of Glenroy have access to opportunities for lifelong learning, employment pathways, health and wellbeing and social connectedness.

### PUBLIC PLACES

#### Getting around Glenroy

The centre has well-integrated movement networks that prioritise sustainable modes of transport.

### TRANSPORT

#### Places to enjoy and do business in Glenroy

The centre is a vibrant activity precinct with a wide variety of shops and services.

### ECONOMY

#### Quality spaces for people

The centre is transformed into a high-quality, pedestrian-friendly environment with a range of places to meet and relax.
