As part of the review, garbage, recycle and food and garden organics waste will be reviewed. The outcome and recommendations from the review will be detailed to the Owners Corporation (and or owners) and residents in writing within 4 weeks of receiving the request. This will detail necessary actions required to change the size of the bins or transition bins to alternate collection at the development. bins

Outline the current waste management issues at the site. If your bin configuration is not listed, please outline current bin configuration below. (60 litre shared between 2 or 4 properties in a 120 litre or 240 litre bins is not listed and not available for residents who are at a higher capacity to downgrade to, the price for 60 litres capacity is \$74.37)
