

Checklist for licensed premises

Planning applications to

Moreland
City Council

This checklist applies to applications where a planning permit is required to use land to sell or consume liquor under the provisions of the Moreland Planning Scheme. It is vital that a planning permit application description describes why a planning permit is sought. The type of Liquor License being applied for should also be placed in the description i.e. an “on-premises License”.

Other planning scheme controls may affect your proposal. Please check the planning scheme requirements before submitting an application by visiting the Department of Environment, Land, Water and Planning website or attending the City Development Branch enquiries counter at the Moreland Civic Centre.

Pre-application meetings

Council encourages applicants to meet with Planning Officers before lodging an application. These meetings are designed to advise applicants whether proposals are generally consistent with the Moreland Planning Scheme before they are lodged. Planning staff also assist applicants to become fully aware of the standard and extent of documentation they are required to provide in order to reduce or avoid the need for Council to request further information.

Liquor Licensing

A Liquor License is also required pursuant to the *Liquor Control Reform Act 1998*. This is different to a planning permit. Before lodging a planning permit application you should contact the Victorian Commission for Gambling and Liquor Regulation, www.vcglr.vic.gov.au, for details on the most suitable type of license and application requirements.

Submit a planning permit application online

- You need to register first as a user with Council Online Services before you can submit a planning permit application online.
- Once you are a registered user, sign in and lodge a planning permit application.

To enable proper consideration of the application. Council reserves the right to request additional information pursuant to Section 54(1) of the *Planning and Environment Act, 1987*.

Other planning scheme controls may affect your proposal. Please check the planning scheme requirements before submitting an application by visiting the Moreland Council website.
